NEIGHBOR SIGNOFF

The Innis Arden Board of Directors requires the presentation of the plans on any new addition or new home to the owners of adjacent and affected peripheral properties. The proposed addition or new home has been staked out and flagged for your viewing. Your signature on this document simply verifies that you have had the opportunity to review the plans. Neighbors do not have approval or veto power. It is the responsibility of the board to approve or disapprove. It would be appreciated if you would offer an opinion as to whether you approve, disapprove or are indifferent to the proposed addition or new home. This would assist the board in their review process. If you disapprove, please contact the Chairman of the Building and Remodel Committee so a Board view can be scheduled prior to the general membership meeting the first Tuesday of each month. Written and verbal comments, photographs etc, can be submitted to the Board during the viewing. Please feel free to call if you have any questions.
